About Us

We are a textile company based in the United States with roots in Guatemala. Since our inception, we have strived to combine Guatemalan textile tradition with cutting-edge innovation and technology. Our commitment to quality and customer service has allowed us to grow and establish ourselves as leaders in the local textile market. Our team is composed of experts in the manufacturing field, focused on creating unique and high-quality products. We work with top-quality materials and use traditional techniques to ensure the durability of our products. At our company, we value diversity and inclusion, and we work hard to create a safe and fair work environment for all our employees. We are also committed to being environmentally responsible and using sustainable practices in all phases of our production process

Mission:

Mission:

Our mission is to provide our customers with high-quality, versatile textile products that are made with a commitment to sustainability and fair labor practices. We strive to continuously innovate and improve our products and processes, while staying true to our Guatemalan heritage.

Vision:

Our vision is to be globally recognized as a leading textile company that sets the standards for quality, style, and sustainability in the industry. We aspire to create a positive impact on our customers, employees, communities, and the planet, while continuing to grow and evolve as a responsible and innovative company.

Our Services

FULL PACKAGE

Your products tailored according to your needs from start to finish.

COMPUTARIZED EMBROIDERY

We use automation to ensure embroidery flexibility and quality.

DTF & SCREEN PRINTING

We accommodate different types of customization options, so our customers have a variety of services to choose from.

SUBLIMATION

We offer sublimation technology for high performance and polyester based fabrics.
